

VMARS Membership Renewal Form 2025

If completing the form on a computer please use UPPER CASE for callsigns and post codes. For everything else please use lower case except for initial letters of sentences and names. This will allow the membership secretary to add it to the database in a way that is consistent with existing entries by copying and pasting your text without the need to re-type anything, so minimising errors.

I wish to renew my membership of the **Vintage and Military Amateur Radio Society** and I enclose my remittance for £ being the annual subscription due (See overleaf).

All members are requested to confirm their e-mail address annually as this is by far the most common cause of problems.
