COMPLETING THIS FORM

This version of the form is intended to be opened from the web site, filled in using your web browser such as Chrome, Edge or Firefox and then either saved and e-mailed, or printed and posted back to VMARS. It is best not to use a dedicated PDF editor like Adobe Acrobat. Please use UPPER CASE for callsigns and post codes. For everything else please use lower case except for initial letters of sentences and names. This avoids errors retyping your data !

DATA PROTECTION POLICY: VMARS maintains and processes records of members' personal data in order to manage its affairs and to further the objectives of the society and its members. Its policy is not to release a member's personal data to third parties, except with that member's explicit consent. The membership list is circulated only to fellow members, on condition that it is not to be used for commercial purposes and is not passed to non-members. There is provision for members to withhold most details from publication, if they so wish. You may only withhold your name and postal town from the annual membership list by making special application to the Membership Secretary in writing. For the purposes of the Data Protection Act, the Data Controller is the Vintage and Military Amateur Radio Society. All queries should be addressed, in the first instance, to the Membership Secretary.

NOTES:

(A) APPLICATIONS The name and postal town of all applicants for membership are circulated amongst the members as soon as possible after receipt of application. Membership is confirmed within one calendar month of circulation unless objections are received from 6 or more fully paid or honorary life members. In the rare and unusual event of there being 6 or more valid objections, your subscription will be returned.

(B) SUBSCRIPTION RATES from 1st January 2026 These rates include postal delivery of Signal (quarterly) and electronic delivery of the VMARS News Sheet (monthly). Additional family members can be added for £5. There is an additional charge of £12.00 (UK), £13.00 (Europe), and £15.00 (rest of the World) for postal delivery of the News Sheet, to cover the costs of production and postage.

(C) If paying by cheque issued by a UK bank please make it payable to **"Vintage and Military Amateur Radio Society"**. VMARS reserves the right to charge for postage and bank fees if cheques are rejected by the bank or cannot be paid in due to missing information.

(D) If you live in the UK and have opted to pay by bank-to-bank transfer or standing order, the Society account details are as follows: **NatWest Bank Plc. Sort Code: 50-41-02. Account No. 11344970 and payable to "Vintage and Military Amateur Radio Society"**. For members based outside the UK we can offer bank-to-bank transfer with bank charges **paid at source**. Our bank details are: **IBAN: GB76NWBK50410211344970; IBAN BIC: NWBKGB2L** For all transfers of funds, could you please ensure that the reference field shows either your name and initial **or** call sign and the word "subs" for identification of the payment, for example **"G9AAA SUBS"**, replacing "A G9AAA" with your own call sign, or **"A MEMBER SUBS"** replacing "A MEMBER" with your own name and initials.

(E) We can now accept card payments. If you would like to avail yourself of that facility, please tick the box above and the Membership Secretary will send a payment request to your smart-phone (enter number below) or by e-mail (enter address below). Payments are processed by Square.

(F) VMARS no longer accepts standing order as a payment method for new applications unless there are special circumstances. Please contact the Membership Secretary to discuss this before submitting an application if you need to use a standing order.

(G) We recommend that members provide a 2nd e-mail address operated by a different service provider. Having a 2nd e-mail address ensures reliable delivery of the news sheet, auction catalogues and Society notices in cases where our bulk email service provider's address **mailer.vmars@membermojo.co.uk** is accidentally classified as junk mail by one of your providers. Please also add this address to your "Safe Senders" list if you have one.

If you have supplied an email address you should get a message by e-mail once we have received it and confirmed that your payment was successful. This message will include the details we have added to our database for you to check, and will confirm receipt of your payment. You will start to receive VMARS publications at this point. We do not separately confirm that your application has had no objections within one month after publication, so you may safely assume that it was accepted in the absence of any further correspondence apart from VMARS publications, after the initial confirmation of details.
